BOKETTO SOFA

Designed by Lars Wendelbo

The art of non-doing

Drawing inspiration from the Japanese philosophy of 'Boketto,' a practice rooted in the art of non-doing and peaceful reflection, the Boketto Sofa is defined by gently rounded rectangles, offering a soothing, cohesive look. COIN TABLES

Designed by 365 North

A sculptural standalone

The base of the Coin Side Table is cast in aluminium, finished with either black or dark brown powder coating. Subtly resembling a weight, the soft conic shape and density of the aluminium foster a stabile side table, to be placed as a sculptural standalone piece or in pairs. The round tabletop is offered in several finishes, crafted in either black laminate or black or dark brown stained oak veneer with solid oak edges adding the final touches to the table.
